Intramural Sports Rules
Game On, KSU! Esports Series
NBA 2k20

Section I – Team Requirements

• Participants will register individually.
• Games are self-scheduled between teams, so no official Grace Period is available for these games. Teams should contact each other to schedule games at a mutually agreeable time. It is encouraged that if an opponent is late that up to 5 minutes of grace is provided to get scheduled games played.
• All players must meet the eligibility requirements listed in the IM Participant Handbook to be able to log in and register for the event.

Section II – Player Equipment and Behavior

Article 1 - Player Equipment
• Participants must provide own monitor/TV, game systems, controllers, and game.
  o All standard controllers, keyboards, and mice are acceptable. No macro buttons allowed.
• Players will also need to have access to active internet to participate in games online.

Article 2 - Player Behavior
• Unsportsmanlike conduct will not be tolerated. The following behaviors may result in a sportsmanship infraction:
  o Refusal to comply with or abide by a request or decision of an official
  o Intentionally leaving a game during the match
  o Intentionally delaying or stalling the game
  o Cursing or use of derogatory terms during play
  o Disrespectfully addressing an opponent or staff member
  o Any act deemed by an official to be unsportsmanlike
• Matches will be self-officiated, meaning any issues with player behavior will be reported by opponent during or after game.
  o Any games that are live-streamed may be monitored by staff members for player behavior.

Section III – Game Length and Timing

Article 1 - NBA 2K
• All matches will be played as single games.
• Games will be played with 4 quarters that are 5 minutes in length.

Section IV – Facility Specifications

Article 1 - NBA 2K
• Games will be played online using Playstation 4 or XBox One based on division.
• The most updated and up-to-date release of the game should be used, including rosters.

Section V – Rules of Play
Article 1 - NBA 2K

- Home or Away team determined by seed in ladder or bracket. Higher seed will be home team and has selection of team color.
- Players must select from the current 30 NBA teams. Opponents may select the same team.
- Skill level should be set as “Hall of Fame” for all games.
- All game settings (style, speed, sliders, NBA rules) should all be the default settings.
- Camera should be 2K unless players agree to a different camera angle.
- Substitutions should either be set to automatic or made manually using the d-pad and timeouts.
- Late game fouling and timeouts may be set to automatic as well. Cannot be changed during game.
- Game scores are self-reported after sending challenges through the ladder system or after completing scheduled matches in the playoff bracket.
